NHS Derbyshire County

Derbyshire County

Community Car Scheme

Community Car Scheme

Do you have any difficulties with personal transport?

We aim to provide transport for people who are unable to use public transport for essential health and social appointments.

All mileage is charged at 68p per mile. Payment is made on the day, to the driver. Minimum charge of £5.00 applies. In addition, there is a booking fee of £2.50 per journey.

If needed we can provide an approximate cost for the journey.

Any car parking charge is paid by the passenger.

All drivers are volunteers using their own cars and give their time freely.

The driver will find the clinic with you if you are visiting a hospital and will stay up to 2 hours. A cup of tea or coffee will always be appreciated by the driver!

If you know that your appointment will last longer than 2 hours, a double journey may be necessary.

To register and book transport or if you have any further questions, telephone [01773 746652](tel:01773746652)

**Phone lines are open from Monday-Friday 9.00am-12:30pm
Please give if possible, 3 working days' notice. We take bookings up to a month in advance.**

Who can use it?

- ❖ **You must be a resident of Derbyshire**
- ❖ **You must be unable to use existing public transport services:**
 - ❖ **For reasons of disability or restricted mobility OR**
 - ❖ **Where public transport is limited or unavailable OR**
 - ❖ **Where your transport needs are not met by the existing transport timetable**

What can it be used for?

Priority will be given to people with appointments at:

- ❖ **Hospital**
- ❖ **GP surgery**
- ❖ **Health centre**
- ❖ **Clinics (Podiatry, Chiropody, Physiotherapist, Asthma, Leg Ulcer, Nutritionist, Diabetes etc)**
- ❖ **Pharmacy**
- ❖ **Optician**
- ❖ **Alternative and complementary therapies (inc. Health referrals)**
- ❖ **Hospital visiting**

Transport to other destinations will be considered, for example:

- ❖ **Hairdressing appointments**
- ❖ **Visiting friends and family**

How does it work?

The scheme is supported by volunteer drivers who use their own vehicles to provide transport for those in need and they give their time freely and willingly.

A mileage allowance is given to cover the cost of running their cars on behalf of the scheme.

A charge is made for each journey in accordance with the current rates of the scheme.

Our volunteers may offer additional support by sitting with you whilst waiting for an appointment.
